G.O.Ms.No.505,

Dated 30th May 1949
Read the following:--

From the Commissioner of Labour A3.No.1688/48, dated 4th March 1948.

O r d e r:

The Retrenchment and Re-organisation Committee has made the following recommendations regarding the denominational institutions:--

"As regards denominational institutions, it was agreed that they need not exist as such and that wherever accommodation can be found for the pupils, these institutions may be abolished. Where it is not possible to find accommodation for the pupils of such institutions in other existing institutions, the institutions may be continued but thrown open to all communities without any special facilities for any particular community."

2. The Government have examined carefully ~~the~~ as to how far the above recommendation may be made applicable in the case of labour schools which are run for the benefit of the Harijans. They have decided that the recommendation of the Committee cannot be accepted in regard to these schools and that in respect of them the 'status quo' should be continued.
